Greetings in the Lord Jesus Christ and bountiful wishes to you from Fr. Sleevaraju, SDM.

I hope may you be safe and sound in the presence of the Lord.

Here I would like to introduce you about myself, this is Fr. Fr. Sleevaraju, Ordained in the year 2010 and belong to SDM Society (Saint Eugen De Mazenod Societ), which is founded by an south Indian priest namely Rev. Fr. Gerald Francis OMI. Right now we are 34 priests, all of them are working at different parts of India. Particularly I am working in Jammu and Kashmir Diocese, it is situated in the Northern Region of India. I am placed in a mission station at Basohli as *mission incharge* which is around 120 Kms from the city area and is an interior and remotest mission close to Indo-Pak Border. Being a religious priest I am finding it very difficult to get some mass intentions. I will be ever grateful and happy to get a few mass intentions from your kind heart.

I humbly requesting you to be kind enough to sanction mass stipends, these would contribute much for the continuation of education of poorest of the poor children, to the betterment of situation of some of the very poor and deserving families in the Parish. Requesting you to consider my appeal positively and help me in my missionary work for the Lord and His people in these remote mission villages, I remain.

May I seek your prayers and blessings!

Thanking you in advance.
